

Nurse Practitioner/ Physician Assistant
Milford, Delaware

Center for Interventional Pain & Spine is an Interventional Pain Management practice serving patients across the states of Delaware, Maryland and Pennsylvania. We are aligned to ensure our communities can access patient-centered, medically oriented full service medical care delivered in convenient locations with friendly, knowledgeable doctors and staff.

As a Nurse Practitioner/Physician Assistant, you will support our Pain Management and Physical Medicine & Rehabilitation Physicians. In our fast-paced environment, you will evaluate and treat patients for all types of pain while delivering a great experience and top-notch patient care that our patients have come to expect from Center for Interventional Pain & Spine. You will have support of medical assistants, clerical staff, and a billing team, as well as other tools to make documentation and treating patients easy.
