

Nurse Practitioner

Brandywine, DE

Center for Interventional Pain & Spine is a Multidisciplinary practice serving patients across the states of Delaware, Maryland, and Pennsylvania. We are aligned to ensure our communities can access patient-centered, medically oriented full-service medical care delivered in convenient locations with friendly, knowledgeable doctors and staff. We are looking to expand our Primary Care treatment options for our Chronic Pain Patients.

As a Nurse Practitioner, you will support our Pain Management and Physical Medicine & Rehabilitation Physicians and provide care for other diagnoses aside from Pain Management. In our fast-paced environment, you will evaluate and treat patients for a variety of conditions including HTN, Diabetes, High Cholesterol, COPD, etc. while delivering a great experience and top-notch patient care that our patients have come to expect from the Center for Interventional Pain & Spine. You will have the support of medical assistants, clerical staff, and a billing team, as well as other tools to make documentation and treating patients easy.
